

LOOKING FOR YOUR CAR?

The Eclipse has drawn an extreme influx of people to this area. Due to this we were unable to use our regular procedures to identify owners of vehicles that were illegally parked or parked in a way that obstructs the flow of traffic. Your vehicle may have been towed.

One of the following tow companies would have been used to tow your vehicle. Please contact them to obtain your vehicle.

Be sure to advise them of year, make, model, color and license plate if known.
